### **Open Farm Sunday – 7 June 2026**

#### **Celebrating 20 years of connecting people with sustainable farming**

For 20 years, Open Farm Sunday has introduced people of all ages to the amazing farmers who produce the great food we all love to eat.

This landmark year celebrates the rich heritage of this flagship event, which is organised nationally by the global sustainable farming charity LEAF (Linking Environment And Farming).

Next summer, hundreds of farms across Britain will open their gates, giving visitors the opportunity to discover how sustainable farming nurtures wildlife, protects the environment and supports thriving communities.

It's a chance to embrace a sustainable food journey rooted in LEAF Marque produce. Take home a new connection to your food and the countryside on 7 June 2026.
